

Medications

Trillium can dispense your pet's necessary medications. Medications should be in the original container with the medication name, dosage, and prescribing veterinarian's name and phone number clearly legible. Contagious pets will not be admitted under any circumstances. Pets requiring injections must get prior approval from management and will be handled on a case by case basis.

Dispensing medications \$0.50 per dose

Discounts

Limit of one discount per visit

- Pets here for extended stays of 14 full days or more will receive a 10% discount off the basic boarding rate. Beginning on the 15th day cats will receive one free outdoor Jungle Gym play per day for the remainder of that visit.
- Four or more pets from the same owner/household will receive 10% off the basic boarding rate.

Trillium Pet Care also provides dog boarding, doggie dayplay, professional pet grooming, and lifestyle canine obedience classes. We have separate facilities for our canine & feline guests!

Cat Grooming

Trillium is pleased to offer feline grooming. Our professional groomers will bathe and condition your cat's fur, flush clean the ear canals, trim toenails, and fluff dry your cat. Our popular "carding" de-shed treatment is included in all cat grooms at no extra cost! Regular grooming will prevent matting, reduce fur-ball regurgitation, and leave your cat feeling great! We can also clip the fur and cover nails with "soft claws."

Policies

All cats are charged full rate on the first calendar day they arrive regardless of the time of drop off. Pets picked up during regular morning hours on departure day will receive a half day discount. Rates are per calendar day of the week and not per night or 24 hour period. The minimum fee for an overnight visit is the boarding rate x 1 ½ days. Rates are per pet. Payment is due when you pick up your cat by cash, check, money order, debit or credit card, or travelers check. Rates and requirements are subject to change without notice. There is a \$25 fee for non-sufficient checks. Trillium reserves the right to refuse any pet for any reason. Pet owners remain responsible for their pet's actions. Cats arriving with parasites will be treated by the kennel or a veterinarian at an additional expense to the owner. Due to the unpredictable nature of cats, Trillium does not guarantee any feline grooming service - your cat's behavior will determine when the groom is complete. Absolutely no drop off or pick up outside of our regular client hours. Please kindly provide 24 hour notice of cancellations. All pets must arrive on a leash or confined in a pet carrier.

What to Bring

- Vaccination records, including the rabies certificate on your veterinarian's letterhead.
- Pet's usual feed. Please pack one meal per plastic baggie. Treats are welcome.
- Toys, standard towel, or t-shirt from home. Please NO other fabric items.
- Medications
- Emergency contact information

Vaccination Requirements

Trillium Pet Care is a vaccine safe facility. Please bring written proof of your cat's immunizations. The duration of vaccine effectiveness will be based on the expiration date provided by your veterinarian. Pets recently immunized are welcome; however, for optimum protection vaccines should be brought current two weeks prior to boarding or grooming. This will allow your cat's immune system time to form antibodies for the highest degree of protection.

Leukemia

Rabies

Feline Pet Booster (RCPC)

These vaccinations are required for both boarding and grooming clients.

UNDER PENNSYLVANIA STATE MANDATE TRILLIUM CAN NOT CARE FOR ANY PET LACKING PROOF OF RABIES CERTIFICATE – tags are not sufficient. We must have a copy of your cat's rabies certificate with your vets signature and/or letterhead on file when you drop off!

Cat's over 7 months of age must be spayed or neutered.
