Vaccination Requirements

Trillium Pet Care is a vaccine safe facility. Please bring written proof of your dog's immunizations. The duration of vaccine effectiveness will be based on the expiration date provided by your veterinarian. For optimum protection vaccines should be brought current two weeks prior to boarding or grooming. This will allow your dog's immune system time to form antibodies for the highest degree of protection. Dog owners **MUST** specifically request the Canine Cough and Canine Influenza vaccines as some area vets do not routinely administer these.

**DOGS: Bordetella (Canine Cough)
DHPP (Distemper-Parvo booster)
Rabies
CIV H3N8 (Canine Influenza)***

These vaccinations are required for boarding, DayPlay, training, and grooming clients.

UNDER PENNSYLVANIA STATE MANDATE TRILLIUM CAN NOT CARE FOR ANY PET LACKING PROOF OF RABIES CERTIFICATE - tags are not sufficient. We must have a copy of your dog's rabies certificate with your vets signature and/or letterhead on file when you drop off!

*If your vet does not provide CIV vaccination please phone TPC management for options.
