Services by appointment only or during your pet's boarding or DayPlay visit. À La Carte items may be completed while you wait.

Intervals between grooms are based on the style of the pet and the amount of brushing and combing the pet owner performs. Long haired pets and those with shedding issues will do best on a 4-6 week schedule. Short coats can usually get by on a 6-8 week schedule.

Duration of most grooms is 1 to 3 hours. Please provide us with your phone number or cell number, and we will gladly phone or text you when your pet is ready!

DayPlay doggie daycare is free on the day of a scheduled Bath or Groom. Plus we offer early morning drop off for grooming or DayPlay guests beginning at 7:30 am. Drop your dog off, go to work or appointments, and pick your dog up after its spa day is complete.

[Early drop off is NOT available to overnight boarding guests. Please be respectful of our regular lobby hours. DayPlay is free the day of a BATH or GROOM service. DayPlay is defined by a dog being dropped off and picked up on the same calendar day. DayPlay is only available on weekdays.]

Carding or de-shedding is one of our most popular grooming services here at Trillium Pet Care. Carding performed on a regular schedule will reduce your pet's shedding by 60-80%. Carding is performed using specialized industry tools in a graduated series to strip and remove the undercoat of double coated dogs. The process stimulates the skin and may cause some excess shedding the first 24 hours; after which the results are amazing!

Flea shampoos* are mandatory if fleas are present on any pet entering our facility. An additional fee for flea treatment will be added to the pet's invoice. We also retail flea preventatives for use at home.

Nail Grinding is the use of a rotary filing tool to buff, shorten and round the tips of the toenails of dogs. This is a popular nail care method often used on professional show dogs.

Vaccinations are required of all pets entering our facility, including grooming clients. Under state mandate, Trillium cannot care for any pet lacking proof of a current rabies certificate. Bring a copy of your pets' records to your appointment or have your vet fax them to us!

**Dogs:
Bordetella, DHPP, Rabies, and CIV**

Clients are required to inform our staff of any medications or ailments affecting their pet at the time of drop off.

Overnight lodging is available in our heated and air conditioned boarding facility. Trillium features a separate kennel and cattery. We also boast outdoor play areas, nature walks, holiday meals, and so much more! We allow you to customize all our services based on your pet and your budget.
